# 2020 Hind sale

**Live online sale – Tues 28th July 2020 7.00pm**

**Offering 20 in-fawn hinds - NO RESERVE**

**4th place 4yr olds Nationals 2018**

**34-14 – x Netherdale's Harlem**

*10.4kg SA @ 4y sire at Altrive.*

## welcome

On behalf of Andy and myself welcome to our 2nd Online in fawn hind sale.

The Covid lock down has affected our mating program. We had the cidrs in our recipient hinds and the donors and had given their first two injections when we decided we should cancel the program to keep everyone safe and finding helpers for ET day was going to be a problem. We have had to keep our donors empty as having their first two injections meant they would all have a multiple pregnancy. Because of having less hinds to choose from we are only able to offer 20 hinds for sale this year but we are offering some really top hinds and scanned in fawn to our top stags.

Our 2 year olds last year averaged 4.5kg and we kept the top 71 stags, they averaged 5.2kg of velvet. This is half a kilogram up on the year before and the fawns in these hinds are 2 generations further on again with the sires all having neat heavy velvet and you would imagine they will lift the bar even higher.

Hinds are offered in tag order (not ranked) Following on from our very successful online 2019 hind sale this online auction has an upset or opening bid of \$900 With **no reserve price** on any lots.

# hinds for sale by online auction

Our 2020 sale hinds have been mated to these 4 sires.

## 34-14

His 4yr velvet features on front page of this catalogue. 10.4kg and he cut 13.3kg @ 5yr and placed 3rd at nationals. We really rate 34-14 and looking forward to his first 2yr olds later this year.

He has a very good pedigree with his dam mated to Harlem in 2014 and producing 34-14 from Embryo program and then after ET she was naturally mated to Everest and produced another stag 177-14 who was sold as lot one 2018 sale 3yr old 8.4kg SA sold for \$40,000. Two amazing stags by two different sires same year out of the one hind. He has a very impressive pedigree with 7 stags used in the stud out of the last 5 generations of Altrive hinds in his pedigree. On top of this we used full sisters of 34-14 as donor hinds in 2017 and are very pleased with their 2yr old sons and used one, 145-17 this mating. 6.45kg SA 2yr. A very nice head of velvet and we think a lot of this stag. He is the 8th stag to be used in the stud from the one dam line. We are only offering 2 hinds this sale mated to 145-17.

34-14 has just died why compiling this catalogue so matings to him will be scarce in future.

## 22-14

Everest son and national 3yr champion 9.5kg SA. He was also people's choice and has gone on to cut a very big tidy head at 5yr weighing 14.4kg. This stag also has a powerful pedigree with his grand dam 124-04 being the dam of our sire 81-06 10.8kg with 25cm beam. He is one of 5 Altrive stags by Everest that have won national velvet championships. We are really looking forward to see his first 2yr old heads later this year.

## 105-12

105-12 (Southern Man) is another very good sire that took out 2nd place in nationals at both 3 and 4 year old. He has left some very good sons and has a very strong pedigree too with his dam also being the dam of lot one in this years stag sale 131-16 3yr velvet 8.1kg SA and he sold for \$32,000. We were very impressed with 131-16 as a 2yr old so used him in the stud in 2018. Their dam 121-07 has a 2yr old son with a nice 5.2kg head that we expect to feature in our 2021 January stag sale. 122-98 is the grand dam of these stags and she is the hind that is mentioned in so many of our good pedigrees that bred on.

## 145-17

The other stag we used this year is 145-17 by Joseph. 145-17 cut 6.45 kg at 2yr and his dam 82-14 is an ET sister to top sire 34-14. As mentioned earlier we are only offering 2 hinds mated to him in this auction.

We have included some of our latest sires in the front pages of this catalogue and the others are available on our website [www.altrivereddeer.co.nz](http://www.altrivereddeer.co.nz)
