Welcome To Our First on Farm Deer Auction

Lynette and I took over the Family Sheep Farm in 1979 and started performance recording 200 of our commercial ewes which resulted in us selling rams and starting a registered Romney stud as well.

In 1985 we brought our first hinds and so naturally we recorded them too. After five years we were running approximately 200 share farmed hinds, all recorded, as well as our own small herd of around 50 hinds. During the early years we selected on growth rates and then moved on the velvet as well, keeping 2yr old stags that cut a minimum of 1.3kg.

For the last four years our 2yr old keepers have averaged over 4kg.

We are proud again of how tidy our velvet is from our 3yr old sires, some of the heads that were velveted early don't have the weight they could have due to the very cold spring.

The first 25% of the 3yr olds averaged 4.9kg but the overall average was 5.51kg with the 3yr sale average 6.1kg.

We are also offering one very good 5yr old Stag and one 2 year old Velvet Sire by Zama from his first drop of fawns. The Zama 2 year olds are very good with a top weight of 6kg.

We will also be offering a minimum of 60 2yr velveting stags and the top pen should average 3.5kg plus.

Photos of velveting stags should be on our website

www.altrivereddeer.co.nz by New Year.

After the sale you are most welcome to stay for a BBQ and Refreshments.

Geoff and Lynette
