welcome

Welcome to our tenth on-farm deer auction.

I took over the Family Sheep Farm in 1979 and started performance recording 200 of our commercial ewes which resulted in us selling rams and starting a registered Romney stud as well.

In 1985 we brought our first hinds and so naturally we recorded them too. After five years we were running approximately 200 share farmed hinds, all recorded, as well as our own small herd of around 50 hinds. During the early years we selected on growth rates and then moved on the velvet as well, keeping 2yr old stags that cut a minimum of 1.3kg.

Since 2008 our 2yr old keepers have averaged over 4kg.

This year's 3yr sale average is 7.93kg.

We will also be offering a number of 2 old velveting stags.

Photos of velveting stags should be on our website www.altrivereddeer.co.nz by the New Year.

After the sale you are most welcome to stay for a BBQ and Refreshments.
