2018 Hind sale

Private treaty hind sale - July 2018

22-14 9.5kg SA 3yr - x Everest
National Champion and People's Choice 2017.
Being retained at Altrive.

welcome

Welcome to our 2018 private treaty hind catalogue.

We feel our team of 5 sires this year is another step up with 3 new sires and these hinds give you a fantastic opportunity to get fawns on the ground from the first crop of:

Altrive 22-14

Altrive 34-14

Altrive 172-15

Plus Altrive 188-12 and Altrive 89-13

We have had a successful Embryo Transfer program again this year and to keep our hind numbers at approximately 300 means we are able to offer you some of our capital stock mixed age hinds.

We are retaining all our 18 month hinds this year.

The 18 month and recipient hinds will account for half our herd with approximately 150 mixed age hinds making up the balance.

The mixed age hinds left on farm are the real cream of each years females and range from animals born in 1999 (rising 19 year old) to 2015. It is more difficult each year to decide which of these to sell but we can't keep them all.

Please remember that most of these are young hinds and it is not until lot 29 tag 67-13 that the hinds are old enough to have had sons velveted as 2 year olds and their velvet weight recorded against their dams to really rank them.

I am sure all stud breeders have sold hinds that they wished they had kept when they see what a son has cut when he reaches 2 year old. But like I said before we can't keep them all.

All hinds are scanned in fawn, vaccinated against Lepto and have received 12 grams of copper at mating.

Most of these hinds will fawn early starting about 27th of October.

All are scanned in fawn.

Good luck with your purchases.

Warm regards,

Geoff Elder
