8th on-farm DEER SALE

Thursday 17th January 2019 5.00pm

80-15 - Lot 1
8.9kg SA 3yr

welcome

Welcome to our eighth on-farm deer auction.

I took over the Family Sheep Farm in 1979 and started performance recording 200 of our commercial ewes which resulted in us selling rams and starting a registered Romney stud as well.

In 1985 we brought our first hinds and so naturally we recorded them too. After five years we were running approximately 200 share farmed hinds, all recorded, as well as our own small herd of around 50 hinds. During the early years we selected on growth rates and then moved on the velvet as well, keeping 2yr old stags that cut a minimum of 1.3kg.

Since 2008 our 2yr old keepers have averaged over 4kg.

This year's 3yr sale average is 7.35kg.

We will also be offering approx 60 2yr old velvetting stags.

Photos of velvetting stags should be on our website www.altrivereddeer.co.nz by the New Year.

After the sale you are most welcome to stay for a BBQ and Refreshments.

yearling hinds

Lots # 40 - 96

We consider the hinds we are offering in this sale are another big step up. Our 2017 ET program was very successful and we are retaining approximately the top 25 or 30 of these hinds. This year it has been even harder to decide what to retain and what to let go. So many of the sale hinds have top pedigrees with proven documented performance. The sale pedigrees only show 4 generations, and a lot of these hinds have pedigrees that are impressive, going back 8 generations.

The proof that our young hinds are performing is shown by our three year old sires; out of the 25 on offer, 10 of them are out of first-fawners.

Please note:

these hinds are
NOT RANKED
they are catalogued
in tag order.

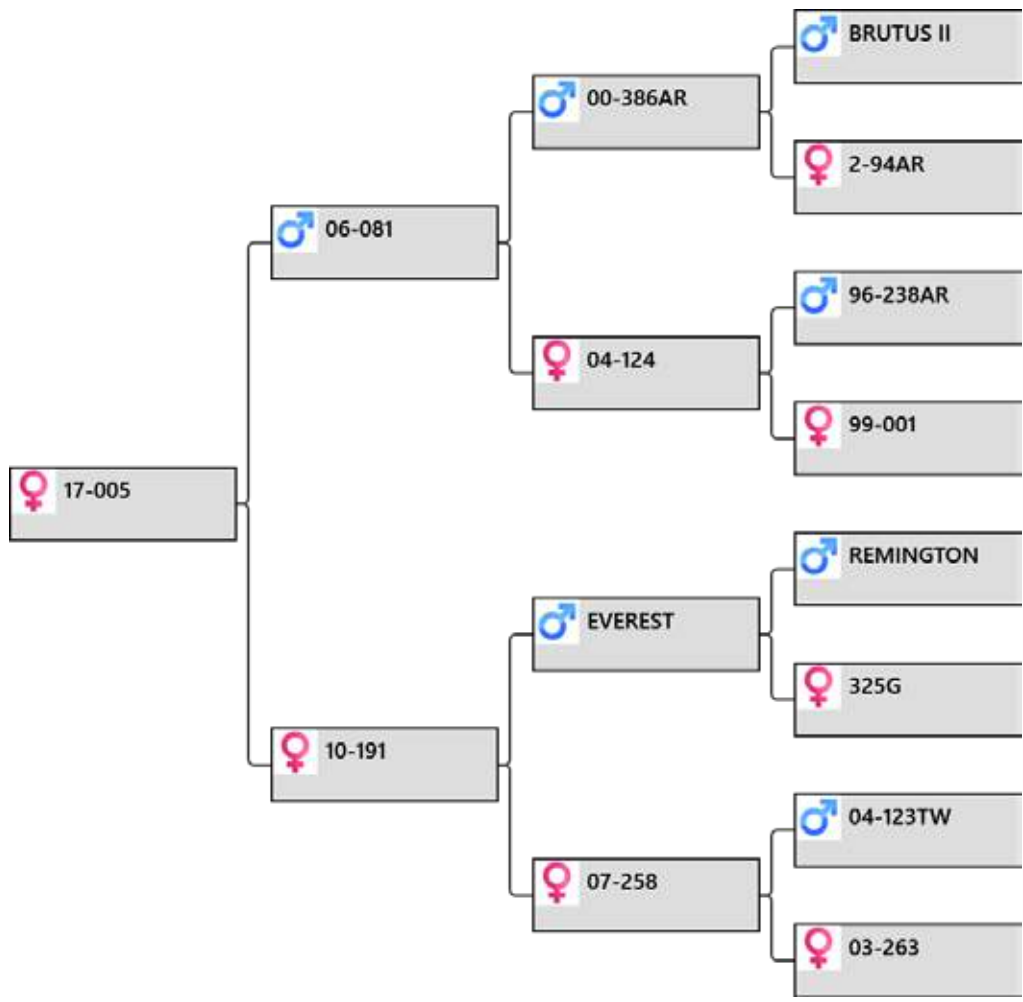

Note also that to allow more space to display the stags we are only penning a **REPRESENTATIVE CUT** of the yearling hinds.
